

## Tanzania Visa Requirements for Australian Citizens

### Australian Citizens:

You will be required to purchase a \$95.00 AUD single-entry travel visa, valid for 30, 60 or 90 days, and allows travel to and re-entry into Tanzania from Kenya, Uganda, Rwanda and Burundi with no additional visa needed. As all options are equally priced, GIVE encourages you to select the 90 day visa, for your future traveling convenience.

- 2) Possess a passport with at least 6 months of validity from your departure date (when exiting Tanzania)
- 3) Provide two (2) passport photos
- 4) Provide proof of departure from Tanzania (exiting flight: ticket or flight itinerary is acceptable)
- 5) Send a stamped, self-addressed envelope to facilitate passport return by mail (please ensure the envelope is adequately sized to accommodate your passport)
- 6) Provide a method of payment: Check, money order or credit (to process credit card payments, a copy of valid driver's license is necessary)
