

Tanzania E-Visa Instructions

Tanzania Visa Overview

GIVE requires that you obtain your travel visa prior to your arrival in Tanzania to avoid complications and extended wait times at the customs desk in Zanzibar. This process is both simple and timely, as you can now apply for an online e-visa.

***Important Note:** Apply through the Official Tanzania Immigration website <https://eservices.immigration.go.tz/visa/> **ONLY and not** through any other links. Other platforms may charge a service fee and are less viable. You will be prompted to fill out an online form, make a \$100 payment (U.S Citizens) or a \$50 payment (Non-U.S Citizens) and submit your application all through the online Immigration Office.

NOTE: the approval process takes a minimum of 10 days – please plan accordingly to ensure you receive your visa back before your document deadline. After internal review, you will be notified via e-mail whether your application has been accepted or rejected.

ONCE RECEIVED, YOU WILL PRINT OUT YOUR E-VISA AND BRING IT WITH YOU TO TANZANIA. Simply print out a colored copy of the e-visa, fold it up, and place it within your passport so it doesn't get lost. Better yet, print out a second copy and carry it with you in your carry-on.

If you forget or lose this e-visa page before arriving in Tanzania, you will be required to acquire your visa-on-arrival at the airport, **paying the visa fee again.**

Before You Apply

Before you apply, please read the following information to be sure you're clear about necessary passport requirements, and details pertaining to what type of Visa you will be applying for.

Passport Photos

When applying you will be asked to upload a passport sized photo of yourself. Go to your local drug store and take a professional passport photo (typically you receive 2 for \$10). If they offer the option for also receiving an "electronic version" of your new pictures, it's worth it to have them on hand. Otherwise, you can simply take a photo of your photo and upload that.

Passport Requirements

1. Ensure that you have at least **one unused visa page** before submitting your application.
2. Your passport must be valid for a **minimum period of 6 months** from the date of your arrival in Tanzania.
